News for Parents and Carers at Red Hall Primary School

Spring 2016

BIG CHANGES AT LUNCHTIME!

This has been a big year for Red Hall Primary School already, you can see that just by looking at the brand new entrance! We now have a place for visitors to sit AND watch the new display on the screen. Something has been changing too... Lunchtimes! Staff and pupils all agree that lunchtimes are fantastic fun at Red Hall now.

Our brilliant team of Lunchtime Supervisors have their own set of equipment that they use every day to get the children active, working together and having fun. On a Monday and a Friday we have a special lunchtime club in the ICT Suite for children who have been great in the classroom and might want a break from all that running around! These have been so successful we're looking at running similar clubs on a Tuesday and Thursday (watch this space).

Children come in to eat in their new houses which stops all that hanging around in lines. The children have also agreed brand new lunchtime rules which are on display in the hall. All these changes mean that lunchtimes are fun times at our school.

If you want to find out even more why not pop along to Mr Goffee's next **Big Parents Meet** on the **19th of April at 2.45pm!**
