**DARLINGTON
BOROUGH COUNCIL**
**Accessibility Action Plan
2018 - 2019**

Name and address of school:	Red Hall Primary School
Head Teacher:	Julie Davidson

Our Actions

As a school our priorities are, as set out according to the requirements of the Equality Act 2010:

Increasing Access for disabled pupils to the school curriculum

This includes teaching and learning and the wider curriculum of the school such as participation in after school clubs, leisure and cultural activities or school visits.

Improving access to the physical environment of the school

This includes improvements to the physical environment of the school and physical aids to access education.

Improving the delivery of written information to disabled pupils

This will include planning to make written information that is normally provided by the school to its pupils available to disabled pupils. Examples might include handouts, timetables, textbooks and information about school events. The information should take account of pupils' disabilities and pupils' and parents preferred formats and be made available within a reasonable time frame.

Financial Planning and control

The Head Teacher, Senior Leadership Team and the finance committee will review the financial implications of the Accessibility Plan as part of the normal budget review process.

Accessibility Action Plan

Aspire to improve to do more than the minimum, additional best practice

Compliance with the Equality Act
