

Dear Parents and Carers,

Welcome to our final newsletter in this school year. The governors would like to reflect on the achievements within the school over the last school year which include a fantastic Ofsted inspection. We wanted to pay

particular attention to the statements within this report which are; "The school work to promote pupils' personal development and welfare is outstanding", and "Pupils and staff are full of smiles and words of welcome. Good manners and pleasant interactions abound meaning a happy, friendly "buzz" is ever present". A huge well done to everyone involved.

Governors have been into school on many occasions which include reading with the children and attending the fabulous nursery graduation. We've spoken to school leaders to ensure the Maths, Science and English curriculum are having a positive impact for the children and we are confident the school are taking their role in Safeguarding seriously.

Governors have been involved in the recruitment of two new teachers from September 2019. We have ensured valuable school funding is spent wisely and child focused. We are particularly proud that Red Hall Primary School was chosen to lead a new establishment of Special Educational Needs and Disability (SEND) Provision for the local authority. You may start to see some building work over the next year and we will do our best to make sure there will be little disruption for the children.

We would like to say a special thank you to Miss Wetton and Miss Johnson who are leaving our school this term to take up new posts.

We would especially like to say *good bye and good luck* to all of our Year 6 children who are leaving us as they take the next exciting step on their education journey. We will miss you but we know you will go on to do great things.

Finally, I know you will join me in thanking all of the **dedicated staff at Red Hall and not forgetting Ms Snowdon and Ms Davidson**. We wish you all a very well deserved summer break.

We feel extremely privileged to be governors at Red Hall Primary School and are very excited to see more happy, smiling faces and lots of hard work and effort over the next school year.

On behalf of all of the governors I would like to wish you all a safe and happy summer holidays.

Debbie Barrigan, Chair of Governors

Summer 2019
