Dear Parents/Carers and Families

Well, here we are at the end of another term! It certainly hasn't been the easiest start to 2021! It has been a term where we have all had to adapt, learn new skills and dig deep to get through it. We really do appreciate the challenges you have faced as families and may still face and for this we thank you for all of your support. We have shared your smiles, your frustration, your anger, your tears, but most importantly, your love for your children and your desperation to keep things as easy as possible for them.

Just a reminder as we approach the Easter Break:

- **If your child develops symptoms on Saturday or Sunday – arrange a test online or by phoning 119. The household must isolate until the result of the test is known. If the test is positive, please contact the school via the admin email address or on the school Facebook's messenger system. This is because this could affect other pupils and staff that they have been in contact with.**

In **Non Covid** news, it has been **AMAZING** to have all our children back in school for the last three weeks. Children have finally been re-united with their friends and teachers and the weather outside has been lovely, meaning our classes have taken advantage of this with lots of outdoor learning and learning how to play together again.

We are proud to report that there have been no bubble closures since February Half Term. We are doing everything we can to continue to keep everyone safe.

Finally, we say goodbye this week to Miss Bradding in our office who finishes her apprenticeship training with us today. We wish her luck in everything she does and I am sure you will all miss her smiling face, greeting you on a morning in school.

To end with, I would like to share with you all a message from the Governing Body of Red Hall Primary School

Governors have expressed their admiration for Red Hall staff who have responded magnificently to the additional pressures COVID 19 has brought. We understand that every single person, children and adults alike, have had their own way coping with this pandemic within very different family circumstances and we are proud of the way Red Hall staff have adapted to this unique situation with no warning. We want to thank everyone across the whole Red Hall family and especially staff and leaders at the school. We parents and carers continue to support staff and the school to do what they do well – serving and delivering the very best they can for the children at Red Hall Primary School.

Have a lovely Easter and we will see you all back in school on Monday 12th April, 2021.

Best wishes

Ms Davidson and Miss Snowdon
