Learning Journal feedback slips

Good morning,

As we are now in our Summer term, we are beginning to look forward and working towards getting the children ready for transition to Year 1. We know this has not been a 'normal' year and the children have missed a substantial time away from school. However, we also know that the children have continued to play, learn and develop their life skills whilst at home, this is where we need your help please. We know you are all very proud of your children and the achievements they have made despite being in lockdown and we would really like to hear about them so we can recognise these achievements in school too.

In the coming weeks, we will be sending home some short slips to be completed at home by parents and carers so these can be added to your child's Learning Journey. Please take this opportunity to tell us about the things your child has been doing and the progress they have made.

Let's celebrate how amazing they all are!

Many thanks,

Mrs Bashford
Reception Class Teacher
