4th May 2021

On **Friday 7th May**, we will be supporting the charitable work of the National Society for the Prevention of Cruelty to Children by taking part in World Number Day. This is an opportunity for the children to learn more about the work of this important charity helping to raise money for it, and will give them the chance to celebrate all things number!

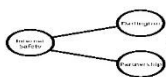

The day will consist of lots of number activities and general Mathematical fun! We are asking pupils and staff to come in that day dressed as a number (or anything mathematical). This might involve sticking numbers to a jumper or painting numbers onto an old shirt. Be imaginative! I understand we celebrated this day during Virtual Learning in February despite the day being rescheduled by the NSPCC, however now we are back together I think it would be a lovely day to do in school!

It would be greatly appreciated if you could make a small donation to this charity. Please try and get behind this worthy cause... trying to bring back some normativity to the current situation.

Yours sincerely,

Miss Henry

Maths Lead

D.I.S.P.
