Dear Parents/Carers,

Phonics is essential to helping your child read and write effectively. The children have daily Phonics lessons and we would like to invite you in to see some of the Phonics activities we do with the children.

You can come into your child's class and play some Phonics games.

This will be on **Friday 30th September 2022** between 9:30-10:30am. Please sign in at the main office.

We would love to see as many of you there as possible!

Thank you,
Mr Hutton
