Dear Parent/Guardian,

The flu vaccine will be offered to all primary school children from reception to year 6. On the **20/10/2022**, in the afternoon.

Red Hall Primary's school code is **HD114183**.

Nasal flu vaccination is delivered in school. There are some occasions where an injection is the most appropriate route for vaccination for some children. The consent form that the link below takes you to is for Nasal Flu, if you select NO, you will be asked a series of questions to establish if your child is eligible for an injection.

Please complete the link below to give consent. If you do not want your child to receive the vaccine then you can select the 'NO' option on the consent form.

After you have finished, if you change your mind or need to tell us about changes to your child's medical history, do not complete another consent form. Please visit [www.hdf.tsais.co.uk/Contact](http://www.hdf.tsais.co.uk/Contact) to contact the immunisation team and tell us about any changes.

The Childhood Immunisation Programme is a key part of offering protection to children and is a vital programme of work for Children, Young People, and their Families.

For further information about the flu vaccine please access [Flu vaccination in schools - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/publications/flu-vaccination-in-schools)
