Photograph/Video Consent For use by School

Dear Parent/Carer,

Occasionally, we take photographs of the children at our school. We use these images as part of our school displays and sometimes in other printed publications. We will also use them to update our school website, Facebook and Instagram pages.

- The school may use photographs or videos of work created by pupils.
- The school may use photographs of children for personal or class Learning Journeys.
- The school may use group or class images with general labels e.g. 'readers of the week'
- If we use photographs of individual pupils, we will not use the full name of the pupil.
- The school will always ensure the children know that their photograph is being taken and the reason why.
- The school will only use images and videos of pupils who are fully dressed.
- From time to time, our school may be visited by the media who will take photographs or film footage of a high-profile event. Children may appear in these images, which will sometimes be published in local or national newspapers, or on approved websites.

These images are the child's personal information. We will not use these images without the consent of you, or, where appropriate, your child.

Please complete the form below and provide your consent by ticking 'yes' or 'no' and return to the school office.

Yours faithfully

Ms J Davidson

Executive Headteacher
